**Security**

- When entering the school **all adult visitors must present ID**, sign in, and receive a visitor pass. Even if the safety agents know who you are, they are required to sign you in, and will refuse entry to anyone without an ID. Thank you for your understanding.
- **All exits other than the main entrance are alarmed.** Do NOT use a side door to exit the building. False alarms may result in unnecessary lockdowns.
- Adults may not visit classrooms without making an arrangement with the teacher. Similarly, please do not drop in for a meeting before school begins unless you have an appointment – teachers are very busy planning for the day at this time.
- Adults may not use or accompany their children to student’s bathrooms. Adults must use the adult’s bathrooms. Bathroom keys are available in the office or at the front desk.
