Dear Grandma/Grandpa/Aunt/Uncle/Cousin/Neighbor/\_\_\_\_\_,  
(circle one)

I am writing to tell you about something really cool/fun/boring/industrious/\_\_\_\_\_ that I am doing this summer as a service project to raise money for children at the Lighthouse Guild. It's called the Peck Slip Summer Read-a-Thon, and if I read at least \_\_\_ books this summer, I'll get an award at school this fall. I'm really busy this summer, but I plan to read before camp/after camp/late at night/on the beach/in the bathtub/at the bus stop/\_\_\_\_\_.

Will you sponsor me for my reading? Any donations that I collect will go towards our summer service non-profit partner the Lighthouse Guild to help blind children receive special services so that they can read too! If you want to find out more about the charity, you can go to [lighthouseguild.org](http://lighthouseguild.org). Any amount would be appreciated- no amount is too small!

Thank you so much!!!

Sincerely/Love/Hugs,
