

NEW!

Summer Read-a-Thon For Grown-Ups!

Returning families - ever feel just a teensy bit envious of your kids when they come home with a Read-a-Thon ribbon or medal?

New families, wish you had a good excuse to tell your kids you simply must curl up with a good book?

We've done something about that. Welcome to the first annual **Peck Slip Summer Read-a-Thon for Grown-ups!** This year, grown-ups in the Peck Slip community will be able to earn a ribbon OR medal of their own just by doing one of the most enjoyable and gratifying activities human beings have ever created - reading books.

PLUS: Kids who see their parents read are more likely to read themselves - and kids who read often avoid summer setback, develop vocabulary, increase background knowledge, and GET BETTER AT READING.

Here's the deal: read **4 books** and you get a **ribbon**. Read **6 books** and you get a **medal**. Read more than 6 books and get a medal PLUS public recognition of the number of books you read (a.k.a., bragging rights). Ribbons, medals & admiration will be presented one evening this coming fall. Just fill out the book log on the back of the page.

We invite you to read literary fiction, beach books, nonfiction, graphic novels, and YA books. Need a recommendation? Check out [Our Summer Grown-up Read-a-thon Recommendations](#) at peckslip.org and add YOUR recommendations by commenting or emailing Maggie or Denise.
